

La Spezia 26/04/2021
Prot. 36/21

Dear Participants and Friends,

We have worked hard to ensure that SEAFUTURE, expected in La Spezia from 14th to 17th June 2021, could take place in total safety but, aware of the difficult situation and in accordance with the new law decree of 22nd April 2021 n. 52 for the containment of the COVID-19 pandemic, we have decided to postpone the 7th edition.

We hope to finally be able to enter a phase characterized by a higher level of safety and fewer un-certainties; we are in any case determined to work to organize the best SEAFUTURE possible, maintaining the usual level of success of the event as regards the completeness of the exhibitor experience and visitors.

For the protection of everyone health, to be able to guarantee the presence of the Foreign Delegations, pillar of the Event and to offer an edition even richer in news and opportunities for professionals in the sector, we are convinced that the best choice in this moment is to postpone the event.

The **7th edition of SEAFUTURE 2021** will take place, again at the **Naval Base of La Spezia, from 28th September to 1st October 2021** and will end on **Saturday 2nd October** with the **5 Terre National Park Regatta**. All exhibitor bookings will remain valid.

We hope that you, your family, your colleagues, your collaborators are well in receiving this letter.
